July 1, 2008

RE: Membership Drive

Dear Member,

Once again, the officers and board members of the Engineers Club of Columbus would like to offer you an opportunity to reduce the amount of your dues payment for the 2010-2011 membership year!

I know that this sounds too good to be true and you're wondering how this incredible opportunity could be possible. Well, keep reading because the amazing details are below.

## **REFERRAL INCENTIVE**

For each new or reinstated member that you recruit between July 1, 2009 and June 30, 2010, you will receive \$10 off of your dues payment for the 2010-2011 membership year.

To qualify and receive your incentive, there are some simple rules to follow:

- The new member application must list the current member's name in the "Referred to Club by" space on the membership application.
- The referring member must be current with their 2009-2010 dues payments.
- You may refer as many new members as you would like; however, the referral incentive will be limited to the amount of the 2010-2011 dues payment (currently set at \$50 for A and X members and \$20 for SA and SX members).
- For each new or reinstated member that is referred, the current member will have their name entered into a drawing for a cash prize to be held at the 2009 Christmas Party. The more people you refer, the more chances to win the prize!

So, now that you have all of the necessary information, go forth and recruit new members to the Engineers Club of Columbus!

If you have any questions about the program, please feel free to contact any of the current officers and trustees of the Engineers Club of Columbus.

Sincerely,

Jennifer Alford  
Secretary
